

# MNH 351 701 NPT VES

HAFNER

(HU) 3/2 - 5/2-es elektromos vezérlésű NAMUR szelep, monostabil - NPT1/4" - INOX

## Technical data

|                                           |                       |
|-------------------------------------------|-----------------------|
| <b>Port size / Connection</b>             | NPT 1/4"              |
| <b>Medium</b>                             | Compressed air        |
| <b>Function</b>                           | Monostable            |
| <b>Temperature range</b>                  | -10°C...+50°C         |
| <b>Port orientation</b>                   | On two sides          |
| <b>Operating pressure</b>                 | 2,5...10 bar          |
| <b>Air flow rate (P1=6 bar, ΔP=1 bar)</b> | 1250 l/min            |
| <b>Mounting type</b>                      | In-line               |
| <b>Power consumption</b>                  | 3 W / 5 VA            |
| <b>Ways</b>                               | 3/2-5/2 FLEX          |
| <b>Material body</b>                      | Stainless steel       |
| <b>Switching time</b>                     | 50 ms   6 bar, +20°C  |
| <b>Actuation</b>                          | Electrically actuated |
