## Technical data

|                                |                         |
|--------------------------------|-------------------------|
| Medium                         | Compressed air, liquids |
| Kivitel                        | menetes                 |
| Port size / Connection         | R 1/2"                  |
| Material seals                 | Without seal            |
| Temperature range              | -110°C...+300°C         |
| Operating pressure             | 0...140 bar             |
| Pressure range                 | 0...140 bar             |
| Port size   Push-in connection | G 1/4"                  |
| Material                       | Stainless steel         |
